Town of Summerville names Andrew Shelton as Finance Director *Council approves Administrator's appointment*

SUMMERVILLE, S.C. (Monday, March 18, 2019) - Summerville Town Council approved the Town Administrator's appointment of Andrew Shelton as the new finance director for the Town of Summerville at the monthly council meeting on Thursday, March 14, 2019.

Shelton has a Bachelor of Science degree in both accounting and business administration from the College of Charleston. He began his career with the South Carolina Auditor's Office in Columbia then moved back to Charleston to work with the Medical University of South Carolina. Before working for the Town, Shelton spent ten years with a local accounting firm, Bryan, Truesdale, Adkins, and Williams before the firm merged with Webster Rogers.

"Andrew is uniquely qualified to serve as the Town's finance director, having worked in many areas of public and private finance," Colin Martin, Summerville Town Administrator, said. "His background and knowledge will be very valuable in preparing our annual budgets and ensuring strict accountability for the use of public funds."

Shelton, the Town's former assistant finance director since January 2016, succeeds Belinda Harper who resigned for a new job opportunity in December 2018.
