

TOWN OF SUMMERVILLE SWPPP STANDARD NOTES

The following standard notes are to be shown on the plans. Please note—This list is not meant to be exhaustive and other notes as required by State and Federal agencies should be included as necessary:

- SWPPP, inspection records, and rainfall data must be kept onsite or within thirty (30) minutes of the site at all times from the commencement of construction activities to the date that final stabilization is achieved. These items are to be in a designated area that is accessible to the inspectors.
- The Town of Summerville shall not maintain Stormwater detention or retention ponds. The property owner shall maintain all stormwater detention facilities shown herein. The inspection frequencies, maintenance activities and other responsibilities as necessary to ensure the system's proper long-term functioning are defined in the Operating and Maintenance Plan and supplemented by the Stormwater Practices Permanent Maintenance Covenants recorded in the County's Register of Deeds office.
- A certified Stormwater As-built must be submitted to the Town of Summerville prior to letter of occupancy, Closeout Package, and to SCDHEC prior to receiving a Notice of Termination.
- The project/site must be built according to approved Town and SCDHEC plans unless SWPPP documents are updated by the original SWPPP preparer, otherwise permits and approvals will be invalidated.
