

**Town of Summerville
Special Planning Commission
The public and Town Council members are invited to attend
September 19, 2016 - 4:00 PM
Summerville Town Hall, Training Room
200 S. Main Street, Summerville, SC**

For additional information regarding items on this agenda including any public hearing, please contact the Planning Department at 843.851.5200. All applications and related documents for this meeting are available for review at the Planning Department during regular business hours, Monday–Friday, 8:30–5:00 excluding Town of Summerville holidays.

I. APPROVAL OF MINUTES:

1. Approval of minutes from meeting on August 15, 2016

II. PUBLIC HEARINGS:

1. Request to annex Dorchester County TMS#154-00-00-077 (approximately 3.96 acres) located at Ladson Road and Wallace Ackerman Drive, owned by Carmela Haklisch, currently zoned CG, General Commercial and R-4, Multi-Family Residential in Dorchester County and will be zoned B3, General Business upon annexation into the Town of Summerville’s municipal limits. (proposed Council District 6) (public hearing signs posted on property beginning on 9.1.16 and with notice in Post & Courier on 9.4.16)

III. OLD BUSINESS:

IV. NEW BUSINESS:

1. Request to annex Dorchester County TMS#154-00-00-077 (approximately 3.96 acres) located at Ladson Road and Wallace Ackerman Drive, owned by Carmela Haklisch, currently zoned CG, General Commercial and R-4, Multi-Family Residential in Dorchester County and will be zoned B3, General Business upon annexation into the Town of Summerville’s municipal limits.

V. MISCELLANEOUS:

VI. UDO WORKSHOP:

1. Discussion of initial draft for general development provisions and dimensional standards for the zoning districts of the draft Unified Development Ordinance (UDO)*

*Additional workshops and public hearings will be scheduled in 2016 -2017

VII. ADJOURNMENT:

Chairman or Vice Chairman

The Town of Summerville Planning Commission Meeting
Minutes
August 15, 2016

This meeting of the Town of Summerville Planning Commission was attended by Commission Members, Jim Reaves, Chairman; Elaine Segelken; Bill Mallery; Marc Hehn, AICP; and, Margie Pizarro. Charlie Cuzzell and Will Rogan were unable to attend the meeting. Staff in attendance included Madelyn Robinson, AICP, Director of Planning & Economic Development; Jessi Shuler, AICP, Zoning Administrator; Tim Macholl, Annexation and Development Coordinator; Bonnie Miley, PE, Assistant Town Engineer; and, Russ Cornette, PE, Town Engineer.

Jim Reaves, Chairman, called the meeting to order at 4:00 PM.

Approval of Minutes:

The Chairman called for a motion for the approval of the minutes from the meeting on July 27, 2016. Ms. Segelken made a motion to approve with Mr. Hehn making the second. Following no discussion the motion carried.

Public Hearings:

There were no public hearings held at this meeting.

Old Business

The first item under Old Business was the petition to annex the Providence Place neighborhood located off of Old Orangeburg Road that the Planning Commission held from the July 27, 2016 meeting in order for staff to consult with the Town's attorney regarding questions and concerns the Commission discussed. The petition to annex was specifically for Dorchester Co. TMS#s 136-13-00-047, 136-13-00-046, 136-13-00-045, 136-13-00-044, 136-13-00-043, 136-13-00-042, 136-13-00-041, 136-13-00-040, 136-13-00-039, 136-13-00-038, 136-13-00-037, 136-13-00-036, 136-13-00-035, 136-13-00-034, 136-13-00-033, 136-13-00-032, 136-13-00-031, 136-13-00-030, 136-13-00-029, 136-13-00-028, 136-13-00-027, 136-13-00-026, 136-13-00-025, 136-13-00-024, 136-13-00-023, 136-13-00-022, 136-13-00-021 and 136-13-00-020, 28 lots (7.78 acres), located at 1000 through 1032 Providence Way, including three unaddressed parcels, currently zoned R-2, Single-Family Residential in Dorchester Co. and will be zoned R-2, Single-Family Residential upon annexation into the Town of Summerville's municipal limits. (proposed Council District 4). Mr. Macholl presented the requested information to the Planning Commission regarding requirement of all owners/freeholders of jointly held properties and confirmed that those signatures had been acquired onto the Petition. He clarified the number of freeholders as well as a correction of the legal description of one of the parcels. Mr. Hehn stated that anyone who wants to appeal the annexation can do so within 60 days of the final reading and made a motion to recommend approval of the petition to annex with Ms. Pizarro making the second. Mr. Mallery stated that he maintained the concerns he stated at the July 27, 2016 meeting regarding the costs to the Town immediately upon annexation. Mr. Reaves stated that the Town wouldn't be that far upside down financially as there would be no increase in staff as a result of the annexation. Mr. Cornette, Town Engineer stated that the Town would be requesting CTC funds for the repaving of Providence Way on the priority list for 2017 which would be farther up the priority list for repaving than the County has it listed, and the annexation would result in the Town being adjacent to the commercial property across Old Orangeburg from this neighborhood. Ms. Segelken also mentioned that an adjacent property not yet annexed is listed for sale for commercial use. Mr. Mallery stated that with this additional information he withdrew his concerns. Following no additional discussion, the motion carried.

The second item under Old Business was the discussion of the final draft goals and the accompanying objectives and tasks for the Green Infrastructure (GI) Plan. Ms. Shuler and Ms. Miley led the discussion of this item, and the Commission, along with staff, refined the list of suggested goals and how they would be achieved. No action was required for this item and none was taken by the Commission.

New Business:

There were no items under New Business.

Miscellaneous:

Ms. Robinson stated an introductory public presentation for the UDO is scheduled for Thursday, September 1, 2016 from 6:00 PM – 8:00 PM in Council Chambers. Staff also reminded the Commission of the Green Infrastructure Forum on August 25 in Council Chambers from 6:00 PM – 8:00 PM as well as a Walk Bike Plan by the BCDCOG at the Dorchester County Council Chambers on August 30 at 6:00 PM. Ms. Shuler stated she would forward that announcement to all of the Town's Planning Boards.

Adjourn

Ms. Segelken made a motion to adjourn with Mr. Mallery making the second. The motion carried and the meeting was adjourned at 5:41 PM.

Respectfully Submitted,

Madelyn H. Robinson, AICP
Director of Planning & Economic Development

Date: _____

Approved: _____
Jim Reaves, Chairman or Elaine Segelken, Vice Chairman

STATE OF SOUTH CAROLINA)
COUNTY OF DORCHESTER)

PETITION FOR ANNEXATION

TO THE HONORABLE MAYOR AND TOWN COUNCIL OF SUMMERVILLE

WHEREAS, SECTION 5-3-150 (3) Code of laws of South Carolina provides for the annexation of an area or property which is contiguous to a Town by filing with the municipal governing body a petition signed by all persons owning real estate in the area requesting annexation, and

WHEREAS, the undersigned are all persons owning real estate in the area requesting annexation, and

WHEREAS, the area requesting annexation is described as follows, to wit:

SAID PROPERTY, located at LADSON RD. AT ^{WALLACE} ACKERMAN (approximately 3.96 acres) to be annexed is identified by the DORCHESTER County Assessor's Office as Property Identification Number: TMS # 154-00-00-077.000 to include, if necessary to establish contiguity, any road, waterway, easement, railroad track, marshland or utility line that intervenes between this property and the municipal limits of the Town of Summerville.

NOW, THEREFORE, the undersigned petition the Town Council of Summerville to annex the above described area into the municipal limits of the Town of Summerville.

Dated this 22nd day of August, 2016.

SUMMERVILLE
UNIFIED DEVELOPMENT
ORDINANCE
Districts Handout

ZONING DISTRICTS

INTRODUCTION

For the purposes of this Ordinance, the various zoning districts have been categorized as Mixed-Use Districts, Conventional Districts, and Special Use Districts. In general, standards and provisions for Mixed-Use Districts are designed to create walkable, mixed-use environments whereas the Conventional Districts are more reflective of the existing, primarily automobile-dependent development patterns.

GENERAL DEVELOPMENT PROVISIONS

The various zoning district regulations established in this handout are declared to be the minimum requirements necessary to carry out the purpose of the proposed zoning ordinance changes. The outlined regulations apply uniformly to each class or kind of structure or land, and are the minimum standards for all site clearing, development, buildings, structures or alterations to land or structures within the corporate limits of the town.

The zoning district regulations include:

USE OF LAND OR BUILDINGS

No land or building shall hereafter be used or occupied, and no building or part thereof shall hereafter be constructed, erected, altered or moved, unless in conformity with all of the regulations specified for the zoning district in which it is or will be located.

HEIGHT OF BUILDINGS AND/OR STRUCTURES AND SIGNS

No building or structure, including signs, shall hereafter be erected, altered or moved so as to exceed the prescribed height limitations for the zoning district in which it is or will be located. These height limitations shall not apply to church spires, water tanks or towers, television or radio antenna, ornamental belfries, cupolas and domes. Necessary mechanical appurtenances may exceed the limitations but by no more than 15 feet.

LOT OCCUPANCY

No building shall hereafter be erected, altered or moved to occupy a greater percentage of lot area than is permitted within the zoning district in which it is or will be located.

LOT REDUCTION

No lot shall be reduced in size which will not maintain the total lot area, lot width, necessary yards, courts or other open space, lot area per dwelling unit or other requirements specified by the zoning regulations.

YARD USE LIMITATIONS

No part of a yard, court or other open space or off-street parking required in connection with any building for the purpose of complying with the zoning regulations shall be included as part or all of the required yard, court, or other open space or off-street parking for another building or structure, except as provided in the code.

YARD REDUCTION

No building shall hereafter be erected, altered or moved to create narrower or smaller front yards, side yards, rear yards or other open spaces than required by the regulations for the zoning district in which such building is or will be located, except as provided in the code.

MOBILE HOME PARKS MOBILE HOMES AND/OR TRAILERS

All mobile home park development shall be required to meet all the most current regulations established for their use and operation by the state department of health and environmental control. All mobile home units shall be attached to and supported by a permanent-type foundation (the standard wheel assembly or running gear shall not be construed as a permanent-type foundation) that shall be covered by a foundation "skirt". All such units shall be required to have adequate sanitary facilities with such facilities being properly connected to the sanitary sewer system of the town.

RESIDENTIAL VARIANCES AND RESTRICTIVE COVENANTS

The zoning officer may grant an administrative variance for a lot size or setback requirement that conforms to the restrictive covenants of a subdivision existing at the time of the adoption of the code or at the time of annexation into the town.

MIXED-USE DISTRICT STANDARDS

- **Neighborhood Residential (N-R):** The Neighborhood General District is established to accommodate a wide variety of housing types in close walking or biking proximity to Summerville's mixed-use centers. *(R3 & R-5)*
- **Neighborhood Mixed-Use (N-MX):** The purpose of the Neighborhood Mixed-use district is to encourage diverse housing and residentially-scaled professional services, offices, small shops, and restaurants directly adjacent to or in easy walking distance of neighborhoods. *(R3, B1 & some B2)*
- **Downtown Mixed-Use (D-MX):** The Downtown Mixed-use district permits a wide range of mixed-use buildings including the full range of housing, retail, offices, and lodging in the downtown area. *(CBD/B3 in the downtown area)*
- **Urban Corridor Mixed-Use (UC-MX):** The Urban Corridor Mixed-Use district is intended to permit the retrofit and redevelopment of various suburban corridors throughout the community into walkable areas with a wide range of mixed-use buildings including the full range of housing, retail, offices, and lodging. *(B3 redevelopment areas e.g., Oakbrook)*

B.3. LOT CONFIGURATION: LOT COVERAGE

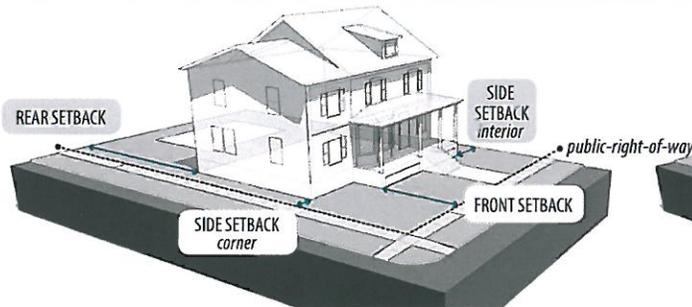

$$\left(\begin{matrix} \text{PRINCIPAL} \\ \text{BUILDING} \\ \text{AREA} \end{matrix} + \begin{matrix} \text{ACCESSORY} \\ \text{BUILDING} \\ \text{AREA} \end{matrix} \right) \div \text{TOTAL LOT AREA} = \text{LOT COVERAGE}$$

B.4. FRONTAGE BUILDOUT

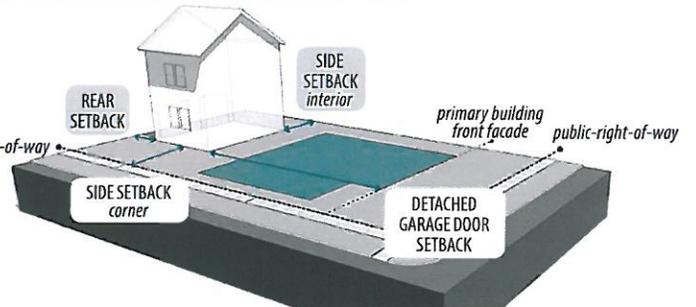

- Frontage Buildout is the percentage of the lot width where the front elevation of the building is located between the minimum and maximum front setbacks established for the district.
- Driveways and pedestrian use areas (such as walkways, plazas and sidewalk cafes) within the minimum and maximum front setbacks shall be exempt from Frontage Buildout requirement. The width of such areas shall be subtracted from the total lot width for the purposes of calculating Frontage Buildout.

F. PARKING LOCATION

CONVENTIONAL DISTRICT STANDARDS

- **General Residential (GR-2):** The purpose of the General Residential (2) district is to establish and preserve lowdensity residential areas (2 units/acre) designed to encourage and continue a stable and healthy environment for residential uses and to exclude uses which are not compatible with such residential uses. G-R district principally includes the older residential areas of the town with large lots containing cottages, garages and customary outbuildings. *(R-1)*
- **General Residential (GR-5):** The purpose of this General Residential (5) district is to establish and preserve medium density residential areas (5 units/acre) designed to encourage and continue a stable and healthy environment for residential uses and to exclude uses which are not compatible with such residential uses. *(R-2 & some R-3 areas)*
- **Multi-family Residential (MF-R):** The purpose of the Multi-family Residential district is to establish and preserve multifamily residential uses designed to encourage and continue a stable and healthy environment for residential uses and to exclude uses which are not compatible with such residential uses. *(R-6)*
- **Manufactured Home Residential (MH-R):** The purpose of the Manufactured Home Residential district is to accommodate manufactured homes, mobile homes and trailer parks and continue a stable and healthy environment for these residential uses and to exclude uses which are not compatible with such residential uses. *(Mobile homes and trailer parks only R-7)*
- **Neighborhood Business (N-B):** The purpose of this Neighborhood Business center district is to provide for limited shopping areas that contain convenience goods and personal and professional services, shops, and restaurants (no drive-thrus) located near or adjacent to residential areas. Because of the location of this district it is important that any adjacent residential property be protected. *(R-3, B-1, and B-2)*
- **General Business (G-B):** The purpose of this General Business district is to provide for the continuation and expansion of generally auto-oriented general business and commercial areas along major thoroughfares. *(B3)*

4. Unrestricted	n/a	X

SPECIAL DISTRICT STANDARDS

- **Light Industrial (L-I):** The purpose of Light Industrial district is to provide areas for manufacturing, industrial and processing or assembly operations of a non-nuisance nature (i.e., those that can be conducted wholly within a structure and do not produce smoke, odors or excessive noise) and to encourage sound industrial development. *(I-1)*
- **Heavy Industrial (H-I):** The purpose of the Heavy Industrial industrial district is to provide areas for the use of non-noxious industries and manufacturers and to encourage sound industrial development. *(I-2)*
- **Agricultural Conservation (AC):** The purpose of the Agricultural Conservation district is to provide areas generally of five acres or more that are undeveloped or used for agricultural, farming or conservation.
- **Public Lands (PL):** The purpose of the Public Lands district is to establish and preserve areas for the use of certain public purposes.
