Town of Summerville Announces Launch of Saul Alexander Pickleball Courts Project

SUMMERVILLE, S.C. (Friday, April 7, 2023) – The Town of Summerville's Parks and Recreation Department is excited to announce the project launch of the new Saul Alexander Pickleball Courts. The official groundbreaking ceremony will take place on April 12, 2023, at 9 a.m. at Saul Alexander Park, located at 615 S. Laurel St.

The Saul Alexander Pickleball Courts project will involve the renovation of existing courts at Saul Alexander Park, transforming them into four state-of-the-art pickleball courts. The project will also include the installation of new, energy-efficient lighting to ensure a safe and enjoyable experience for players during evening hours.

This project has been made possible through the generosity of a local community member who provided a significant donation to fund the improvements. The Town of Summerville is grateful for this contribution, which demonstrates the strong sense of community and support for local recreational opportunities.

The Summerville Parks and Recreation Department is proud to be partnering with the recently formed 501(c)(3) organization, the Summerville Parks Foundation. This collaboration will allow for the continued enhancement and maintenance of the parks and recreational facilities throughout the town, providing additional opportunities for residents and visitors to enjoy the great outdoors.

All community members are invited to join the Town of Summerville, the Parks and Recreation Department, and the Summerville Parks Foundation at the groundbreaking ceremony on April 12th. Attendees will have the opportunity to learn more about the project, meet those involved, and celebrate the positive impact these new facilities will have on the Summerville community.

For more information about the Saul Alexander Pickleball Courts project, please contact the Amy Evans, Parks & Recreation Director at 843-510-0005 or Aevans@summervillesc.gov. You

can also follow updates on the project and other Parks and Recreation initiatives on the Town of Summerville's website and social media channels.
